

Connection Guide

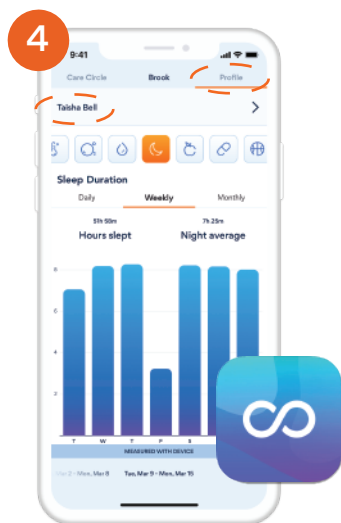

Download the **Fitbit** app from your device's app store. Open the app. If you already have a Fitbit account, log in. If you don't, create an account.

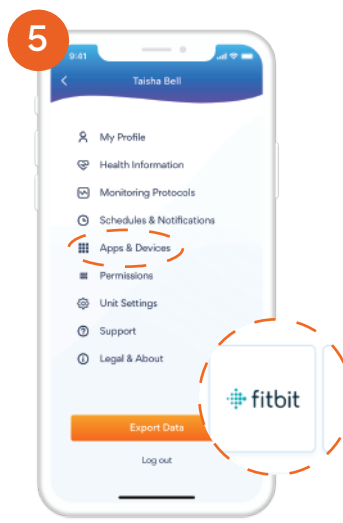

Once logged into the Fitbit app, make sure you are on the **Today** tab. Tap your **profile picture**, then tap **Set Up a Device**.

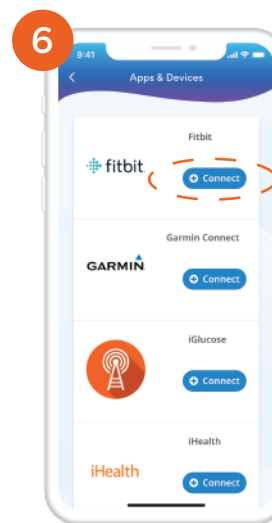

Select the **Inspire 2** and follow the on-screen instructions to connect.

Open the **Brook** app, tap **Profile**, then tap your name.

Select **Apps & Devices**. Under **Connected Apps & Devices**, tap any of the squares shown there.

Tap **+ Connect** next to Fitbit. Use the email and password you created for your Fitbit account to log in, and follow the steps to connect your Fitbit to Brook.
